Decorative Greenery
& Plant Solutions**

Kiyora Foliage (Pvt) Ltd

Sustainably Grown. Export Ready. Globally Supplied.

About Kiyora Foliage

A Sri Lankan foliage and plant supply partner for global buyers.

COMPANY INTRODUCTION

Kiyora Foliage (Pvt) Ltd is a Sri Lankan floriculture business specializing in the cultivation and supply of premium foliage and decorative greenery. Drawing on Sri Lanka’s rich tropical biodiversity and advanced horticultural practices, we provide consistently high-quality greenery solutions to florists, hotels, event planners, and export buyers. From our 35-acre cultivation estate in Mirigama, Sri Lanka, we are well positioned to support both time-sensitive floriculture exports and dependable service to local clients.

Expanding beyond Sri Lanka, we also manage operations through Dubai (UAE) , allowing us to effectively cater to the Dubai domestic market while strengthening our capabilities in the wider export market. With this growing regional footprint, Kiyora Foliage stands as a trusted, quality-driven partner committed to freshness, reliability, and long-term customer value.

Primary buyer segments	Importers, wholesalers, florists, garden centers, event decorators, hotels, nurseries and landscapers
Supply focus	Cut foliage, decorative greenery, indoor plants, outdoor plants and buyer-specific mixed greenery options
Positioning	Sri Lankan tropical greenery with flexible packing, trial shipments and export documentation support
